WORK EXPERIENCE

2021-

Research Trainee

University of Kragujevac, Faculty of Science, Department of Chemistry

- Scientific work - synthesis of heterocyclic compounds with potential biological activity
- Involved in teaching many Organic chemistry courses including Methodology in teaching chemistry to gifted children
- Mentor in Regional Center for Talented Children Kragujevac

EDUCATION AND TRAINING

2020-

PhD Studies, Chemistry

Faculty of Sciences, University of Kragujevac (Serbia)

Programme: research and development, Organic chemistry

January 2023 - April 2023

University of Florence - Italy

Erasmus Internship

April 2021 - July 2021

University of Sassari - Italy

Erasmus Internship

March 2020 - October 2020

Friedrich-Alexander- Universität Erlangen-Numberg (FAU)

Erasmus mobility, research for Master's thesis

2019 - 2020

Master Studies, Chemistry

Faculty of Sciences, University of Kragujevac (Serbia)

Programme: research and development

2015 - 2019

Bachelor studies, Chemistry

Faculty of Sciences, University of Kragujevac (Serbia)

Programme: research and development

August - September 2019

Universität Passau, German

German language School, B1 level

PERSONAL SKILLS

Mother tongue(s) Serbian

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production
