## **University Education**

- Since 2017      The PhD student in Biology, Faculty of Science, University of Kragujevac, Serbia
- 2016-2017      Master of Ecology – Zoology, Faculty of Science, University of Kragujevac, Serbia
- 2012-2016      BSc of Ecology - Research and Development, Faculty of Science, University of Kragujevac, Serbia

## **Professional Experience**

- Since 2023      Assistant, Department of Biology and Ecology, Faculty of Science, University of Kragujevac, Serbia
- 2020– 2023      Research Assistant, Department of Biology, Faculty of Science, University of Kragujevac, Serbia
- 2017-2020      Junior Research Assistant, Department of Biology, Faculty of Science, University of Kragujevac, Serbia

## **Research Stays**

## **Selected Career-related Activities**

- Since 2018      Member of the Serbian Biological Society

## **Projects**

- Since 2017      Project of the Ministry of Education, Science and Technological Development of the Republic of Serbia: "Preclinical trials of bioactive substances" (III43004) – Project Member
- 2023      International project CA18237 EUdaphobase – Project Member.

## **Research Interests**

Taxonomy, Ecology, biogeography, environmental protection, Ecotoxicology, earthworm fauna

### Professional and Personal Qualifications

Experience in the publication of research results; Ability to work independently as well as in a team; Excellent user skills in MS Office. Reviewed papers in peer-reviewed journals

## Bibliography

He is the author and co-author of 43 scientific publications - one paper in an international journal from the SCI list (M21), one paper in an international journal from the SCI list (M22), nine papers in international journals from the SCI list (M23), four papers in a national journal from of international importance (M24), one paper in a leading journal of national importance (M51), nine announcements at international meetings printed in their entirety (M33), 10 announcements at international meetings printed in an extract (M34), three announcements from a meeting of national importance printed in their entirety (M63) and five announcements from a meeting of national importance printed in extract (M64).
